Kurzbeschreibung

After the success of COUPLES, also available from teNeues Publishing, Stefan May again lives up to our expectations with MEN, his new collection of highly erotic photographs of the male form. Here are pictures full of energy, vitality, pleasure, sensuality and sex appeal. Never before has the male body been so exciting or been photographed so close up. The male seducer, romantic, or macho ? everyone, male or female, can find the right man here! With the expert eye for the contours and landscapes of human bodies that made COUPLES such a feast for the senses, Stefan May presents this opulent collection containing some of his best pictures of men. This is erotic photography at its best! Stefan May, commissioned by magazines such as Cosmopolitan, Elle, Max, and Amica, also works for major advertising clients. Last year, both COUPLES and NEW YORK (NEW YORK was released under his pseudonym Lance Lensfield) were published by teNeues. Synopsis
