Pressestimmen

"All my films turn upon this idea - there is an effort to show a world without love, characters full of selfishness, people exploiting one another, and, in the midst of it all, there is always - and especially in the films with Giulietta - a little creature who wants to give love and who lives for love." - Federico Fellini"

Kurzbeschreibung

Der Große Zampanò. Willkommen in Fellinis Manege der Träume Synopsis

Forever a circus ringleader at heart, Federico Fellini (1920-1993) is remembered as one of cinema's greatest storytellers. From bittersweet, heart wrenching tales (*La Strada* and *Nights of Cabiria*) to semi-autobiographical classics (*La Dolce Vita* and the much-imitated *8 1/2*) to ambitious period-pieces (*Satyricon* and *Casanova*) to dreamlike pseudo-documentaries (*The Clowns*, *Roma*, and *Intervista*), Fellini brought his inner world to the silver screen in a profoundly original and innovative way. Among his many gifts to the world of cinema are the roles he created for his wife, the unforgettable Giulietta Masina.
